18

FIG. 13

FIG. 13 is a schematic diagram of a mechanical assembly. A horizontal member 58 is pivoted at its right end to a vertical wall. A diagonal member 18 is pivoted at its upper end to the left end of member 58 and at its lower end to a circular roller. The roller rests on a horizontal surface. An arrow points left from the surface, indicating movement. The wall and surface are indicated by hatching.
